

Rise Alive

Music and lyrics by J.P. Kwok

Standing here at the water's side
A story of a life once dead but now alive
Step into the water's covering
A picture of the blood and grace that washed me clean

Look around in awe of what I see
Faces of the ones who love and pray for me
As I confess the name above all names
Jesus Christ, He is the life, the truth, the way

The water rolls, plunged in the tide
Buried with Christ that death may die
The Son of God, on mercies' Throne
By His power we rise as one
We rise, alive in Christ

Standing here at the water's side
Tears of joy well up inside my grateful eyes
Another soul stands among the waves
A child of light to rise with Christ up from the grave.

The water rolls plunged in the tide
Buried with Christ that death may die
The Son of God, on mercies' Throne
By His power we rise as one
We rise, alive in Christ

Keep on walkin' His way
Don't give up as you pray
For Christ has come to raise the dead from the grave
