

# It's time to...

By Ronald Estes

Rebuke what is wrong, when we know what is right.  
Be the clarifying beacon in the darkest of night.

Stand firm on what's true, even through changing times.  
Confront evil forces corrupting kids minds.

Be the quiet confidence among those selling confusion.  
Be the voice of wisdom, piercing through noise and delusion.

Be the port in the storm, a strong hand they can hold.  
Be a leader, protector, something as valued as gold.

So what may you ask should they fear and depend?  
It's the dangerous presence of a God fearing man.
